

Meghferi Foundation

“Be The Someone for The Someone”

(Activity & Financial Report – 1st July,2021 to 31st December,2021)

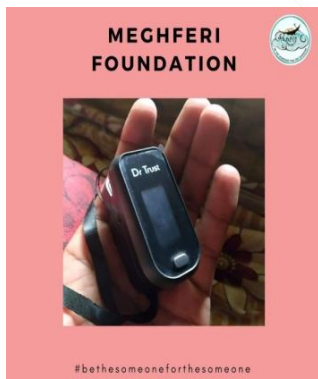

We (Meghferi Foundation) have completed almost 9 months of our commitments towards our society with love. No matter what the circumstances & challenges, our pots were filled & the needy people continue to be served by God’s Grace. We remain blessed & bound to extend our helping hands as much as possible whenever needed in future.

-: Our Activities :-

❖Food Arrangement & Providing Free Medicines:-

Both pandemic & lockdown forced many people to go even without a morsel of food on many days. As usual we have extended our helping hand to needy people as per their requirement by providing rations & foods as much as possible in different areas such as Arambagh, Howrah, Haldia, Nandigram, Layekbandh etc.

We also have extended our help to some families by providing free medicines, Oximeter etc.

❖Project “শারদ অর্ঘ্য”:

Kolkata & surroundings get glamorous during Durga Puja festival every year, where it magically undergoes makeup of new cloths, good food, get-togethers & so on. But Sadly, what goes unnoticed is many people in our society also sleep at night with unhappy faces, unfilled stomachs & dirty worn out clothes. While the city gets decorated with the happiness of the festival, some just pray for minimum for the day. Frankly it's not possible for us to provide happiness to all, but can try to spend minimum time with children to see the same joy & happiness in their faces at least during this happy puja time.

To fulfil this goal, we have done a detailed survey at four villages of both South Bengal & North Bengal with our extended network along with generous help of Sreekumar Nayak.

Survey Pictures & Preparation for the surprises to the little Kids

In our 1st phase of শারদ অর্ঘ্য, we have arranged some food along with new cloths & drawing books for 30 children of Odlabari village, Jalpaiguri on 26th September. In 2nd phase, we have gone to West Midnapur surroundings & served new cloths, foods & books to 150 nos children of total three villages named Diyasha, Tegeria (West Medinipur) & Satberia (Hoogly) on 3rd October, 2021.

Also to take a view of this activity, you are requested to go through the YouTube links provided: <https://youtu.be/tPYRSnIXCKw> & <https://youtu.be/955z8-lknTc>.

Also there are many less privileged people are living on the streets, by the roadsides & on the footpaths. On the 3rd phase of this project, we distributed around 35 sets of new cloths to street children at Howrah Gangaghat.

So, we were able to help a total no 210 of children in this project. Special thanks to Team **Together We Can** & also all well wishers who helped us to achieve this much, because it motivates us to continue working for the society even further & we hope this number keeps on increasing every year in the future.

❖ Project “প্রয়োজনে পুরানো”:

We have taken initiatives of taking extra cloths (old / Used) from the people & distributed to the needy people. We have made cloth collection bins customizing used old 200 litre oil drums & initially placed one bin at Odlabari, Jalpaiguri area.

We have done detailed survey over 3 areas & till now we are able to reach around 30 nos of needy families. As we all are going through pandemic situation, we have maintained proper disinfection procedure before segregation & distribution of cloths. The responses from the locals to donate cloths as well as from well-wishers are amazing.

Distribution at Roypara & Kailashpur Tea Estate Area

Please go through the Youtube links to take a look of these activities:
<https://youtu.be/MSdjeZG6dOw> & https://youtu.be/zLDIUC_lav8.

❖ Educational Activities:

We think that Education is the most important subject to concentrate if we want to make a better world. As it is the foundation of any nation, it should be easily accessible & available to all of us equally. But here we are in such a society where availability, accessibility, and depth of education is dependent on the financial capacity, So we have decided to minimize those numbers of children who are really eager to study further but shading their tears for poor financial condition.

- Text books have been provided to some financially backward secondary and higher secondary students reside in Howrah, Shibpur area after they made contact with us and expressed their needs. Meghferi has committed them to provide further educational help whenever needed and wished them luck for their future.
- Meghferi decided that this organization will bear partial expenses of some financially backward students throughout the year by providing stipend for their educational needs along with books if required. Meghferi has started their journey of providing educational allowance on World Literacy Day to Anuvab who had just lost his father and was in a war of survival in the situation of lock down with his mother. Anuvab is a student of class nine from Layekbandh Chandravushan M.S.K School, Bankura district. Meghferi has committed to provide hope and other help to these fighters to keep their head held high in the battle of life.
- Some needy students placed requisitions for some text books to this organization. Meghferi fulfilled his demands by arranging those books. Special thanks to Mr. Avik Dutta, Misti Ghosh Dastidar, Saurabh Chakrabarty & many more for contributing for arranging those books generously.
- Meghferi had contributed books and other educational accessories to the project named "Anondomela" of “এসো হাত ধরি (NGO reg no: S00 18728)” for the poor students in Magurmari slum of Kailashpore Tea Garden in Jalpaiguri district. Meghferi is always ready for the contribution towards this kind revolutionary activity related to education.
- Meghferi Foundation contributed some books to the "১৬ আনা পাঠশালা Book Bank" in Bankura for the financially backward students. Thanks “Dosor” for donating some old books to us in this activity.
- Contribution has been made to the book bank of "Netaji youth force" an organization who are running a free coaching centre for govt. Job exam preparation in Nadia district.

❖Tree Plantation Programme:

Trees are essentially human and other living organisms' livestock. They have unconditionally provided us with food, oxygen, and a variety of other necessities for human survival. When you plant a tree, you are not only planting a sapling but also hoping for the best. We all know that trees are critical to our survival. So everyone should be aware of the importance of tree planting and should motivate and encourage others to do the same.

Our first programme of Tree Plantation has been held on at Dasnagar Boro Math, Howrah. We have planted around 10 nos of saplings of big trees such as Minjhiri, Sonajhuri, Mango, Coconut etc at ground premises. Special Thanks to Pratim Guin for guided us to make this programme successful.

You can take a look by clicking on this link: <https://youtu.be/QlQ559mze-c>.

Due to unavailability of huge space, we were unable to plant more, but we have very delighted with the participation of locals in this activity. Its fortunate that many showed their keen interest to participate with us. Also Meghferi has committed to do more plantation programmes in upcoming future.

❖ Environmental Awareness Programme:

There is no doubt that in maximum cases, human activity is responsible for damaging the environment of this planet, so it's our sole responsibility to not only improve our own behavior towards environment but also spread as much as possible to our society for sake of future generation.

1st Awareness Programme

Date: 5th September, 2021

Location: Dasnagar Boro Math, Howrah –711105

Activities:

1. Placed Dustbins

2. Waste collection

3. Waste dumping

Weekly visit for waste collection & Segregate the plastic and glass bottles for recycling process.

Plastic and Glass Bottles are segregated

Plastic Waste Collection

2nd Awareness Programme

Date: 19th December, 2021

Location: Dasnagar Boro Math, Howrah –711105

Activities:

1. Dustbin modification by Plastic Waste Bin: We have tried to provide an awareness regarding reuse of the plastic bottles by making waste collection bins instead of throwing randomly everywhere.

Before

Now

We have made those Plastic Waste Bins with almost no budget

1. 60Nos. 500ml plastic water bottles which are collected from a marriage programme (No cost).
2. 300 gm GI wire for binding (Price30/-)
3. Jute Bags (Price 10/-)
4. Our efforts to make our planet more green & beautiful.

2. Recycled Paper Pen Distribution:

Paper Body

Plant Seed

3. Leaflet Distribution:

4. Postering & Social Awareness:

❖Project “Indrabani Ashram”:

Indrabani Gramin Nari Shishu Vikash kendra shortly known as “**Indrabani ashram**” located in Indrabani village in Jhargram district. Mr. Pradip Mahato, the man who is playing the role of a guardian & the pioneer of many girls who belong from families suffering from "**Financial Crisis**" to bear the expenses of education of their children. He is walking on the road of sacrifice with all the responsibilities of upbringing those children in his ashram with his small source of income from playing Khol (musical instrument) in programme & donations from different sources.

On 11th December members of Meghferi got the pleasure to visit his ashram to fulfill some of the requirements in this Nobel mission. Microphones with speaker box for prayer, kadhai for cooking the meals of students & a sewing machine for their own purpose were handed over on that day. The members also got introduced with their beautiful welcome ritual by the students of the ashram. They had conversations with students & Pradip babu with his future planning, further requirements, their obstructions etc. Members of Meghferi were really overwhelmed by the dreams, legendary motives, and hard work of sacrifices of Mahato sir & returned with a determination, inspiration and motivation to work hard for the betterment of our society along with precious leanings which have added a different fragrance to our journey. Hope in future Meghferi will be able to spread more fragrance to each and every corner of our society.

Please go through the YouTube link: <https://youtu.be/3FH-E2EFMIU>

❖ Tarpaulin Distribution at Haldia:

Due to heavy rainfall as a result of sudden deep depression over Bay of Bengal, on 28th & 29th July, 2021 many areas were flood affected. The roofs of many houses had been damaged, so as per emergency requirement, we have arranged 30 nos of tarpaulin sheets & distributed to affected families of Haldia area as per our ability.

❖ Blanket Distribution at Jalpaiguri:

It's very common that many people die of cold in our country, but actually they die due to lack of woollen clothes and blankets. We have distributed blankets to 35 no poor people to protect themselves from cold in winter nights at Odlabari, Jalpaiguri area.

❖ **Some important points we all should know -**

As we were not Government registered, we didn't make any social media crowd funding till now. Even we want to help more but our ability is limited, so all time we are unable to extend our helping hand to everyone. Still anyone has any confusion regarding activities & financial reports, please raise questions directly to us. As we are human, we can do mistakes. It's your responsibility to find out mistakes & suggest solutions how to utilize our wealth more effectively.

Your feedback & involvement is very very important to us & we will try to implement your thinking in our upcoming activities. So don't miss the opportunity to **“Be The Someone for The Someone”**

****Around 500 leaflets 100 nos of bio pens have not used in that programme, which will be used in our next awareness programme.

Hope we will work together more generously with our simple acts of kindness to touch more souls and keep up this work day after day; We will reinforce our position while remaining united and committed to our mission.

Remember it is our big opportunity as well as responsibility that we can serve people for betterment of our own future.

"LET US BE THE SOMEONE FOR THE SOMEONE"
