## Be The Someone for The Someone

(Activity & Financial Report – 7<sup>th</sup> May, 2021 to 30<sup>th</sup> June, 2021)

We, *Meghferi Foundation* started our journey from 7<sup>th</sup> May, 2021. It's a pleasure that within short time period we are able to gain enough trust to reach certain numbers of peoples with our extended network in West Bengal. We have completed our first virtual general meeting on 26<sup>th</sup> June, 2021 & decided to continue our journey as a charity organization from July, 2021.

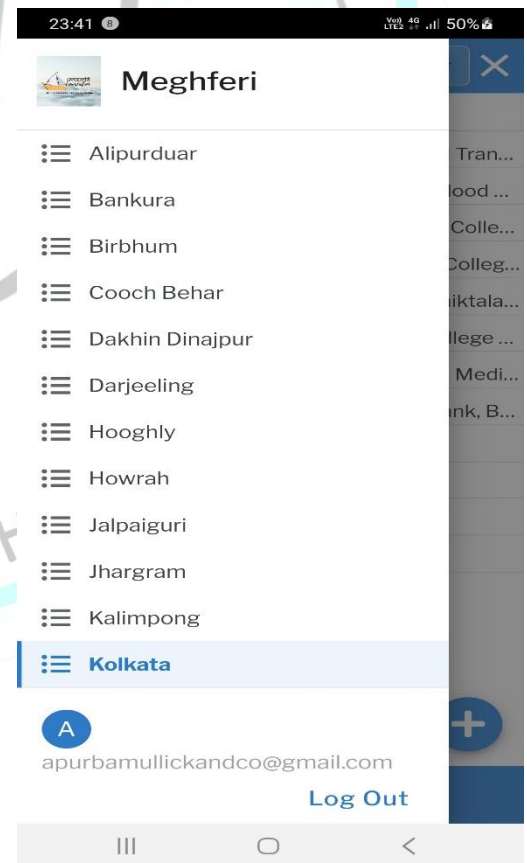

Hope in future we can work together more than a family for the sake of mankind.

### ➤ Our Activities: -

#### 1. Providing Medical Leads: -

We all are well aware regarding the oxygen, blood, medicines & hospital bed crisis during devastating second wave of Covid pandemic in Bengal. Within very short period we made our own google sheet app (App development, Data Entry & Verification Teams' Combined effort) & started providing leads along with best possible way to patient's family.

Not only giving proper information, but also in the way we were providing our moral support, one patient had personally written poem for our member.

## **2. Providing Free Medicines & Medical Tests: -**

The lockdown imposed to contain the spread of pandemic also led to job losses & unemployment of countless families. We have tried to help some families with medicines & providing free tests as per our ability.

## **3. Food Arrangement: -**

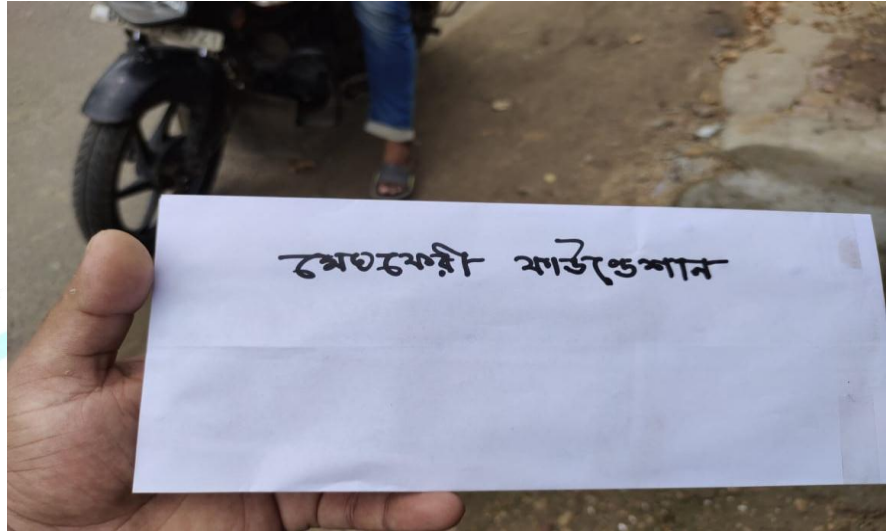

Lockdown forced many poor peoples to go even without a morsel of food on many days. We helped around 26 families (Including one orphanage home) with rations & foods as much as possible in different districts including Nadia, Jalpaiguri, Howrah, East Medinipur & Hoogly.

#### 4. Financial Help: -

Although we are against to provide direct cash to needy families, but in some special cases (mainly in Medical), we have personally verified them by reaching & communicating. Then as per our ability, we have helped them financially.

#### 5. Help to Other Organization: -

We have extended our hand to some trusted social organizations of Maldah, Birbhum & Howrah by providing some covid aids.

#### 6. Social Media Awareness: -

Awareness is necessary and important regarding environmental health, sustainable development as well as blood donation and different social issues. We are continuously trying to share awareness through our social media platforms.
